This deposit may be paid by the Renter by means of a credit card accepted by the Owner or in cash.

Notwithstanding the above, should the Renter choose to pay the rent via Credit Card, before the start of the rental period, the Owner shall request authorisation from the credit card issuer for the amount that will be given as a deposit to guarantee the payment obligations. This amount shall be made available, at the request of the Owner, at the time of rental. When returning the Vehicle, the amount invoiced to the Renter for the rental of Vehicles, as well as, if and to the extent applicable, the remaining amounts set out under 4.1 above, shall be charged to the credit card provided by the Renter if other means of payment are not presented.
